Upon the Effective Date, irrespective, without limitation, of the non-dischargeability of Claims against the Debtor, neither the Committee (and each member thereof), the Bear Swamp Certificateholders, the Owner Participants, the Owner Trusts, HSBC, the Shareholder, any other Creditor, nor any other party in interest may assert Claims for post-petition interest against the Debtor or the Retained Estate, except for the Post-Petition Interest factor of four percent (4%) simple, annual interest and/or any Modified Post-Petition Interest (if applicable), in the context of Distributions or against the Debtor; *provided, however*, the Shareholder shall not have any Claim for Post-Petition Interest or Modified Post-Petition Interest (if applicable) in respect of

Distributions on account of the Shareholder Participation. The entry of the Confirmation Order on the docket of the Chapter 11 Case shall be deemed to be the entry of an Order on the docket of the Chapter 11 Case approving a compromise in respect of Post-Petition Interest and Modified Post-Petition Interest (if applicable).

5.04 *Shareholder Compromise.* Distribution on the Shareholder Participation shall be made by the Disbursing Agent directly to the Shareholder on the Initial Distribution Date, as part of Distributions to Class 3 hereunder. The Shareholder Participation does not accrue and shall not be paid Post-Petition Interest. The provisions of Article IX of this Plan that relate to the satisfaction of Claims against the Debtor and the release of the Shareholder form an integral part of this compromise. Upon the Effective Date, irrespective, without limitation, of the non-dischargeability of Claims against the Debtor, neither the Debtor, the Committee (and each member thereof), the Bear Swamp Certificateholders, HSBC, the Owner Trusts, the Owner Participants, any other Creditor, nor any other party in interest may dispute, challenge, avoid, or otherwise interfere with the direct Distribution of the Shareholder Participation by the Disbursing Agent to the Shareholder or any other Distribution received by the Shareholder pursuant to this Plan. Notwithstanding the foregoing, there shall be no Distributions to the Shareholder pursuant to this Plan, other than the Distribution on account of the Shareholder Participation, unless and until all Allowed Class 3 Claims have been paid in full together with Post-Petition Interest or Modified Post-Petition Interest (if applicable) and/or all necessary and sufficient funds have been reserved, including, without limitation, to pay in full any disputed Class 3 Claim (as and when such Class 3 Claim becomes Allowed) together with Post-Petition Interest or Modified Post-Petition Interest (if applicable). The entry of the Confirmation Order on the docket of the Chapter 11 Case shall be deemed to be the entry of an Order on the docket of the Chapter 11

Case approving a compromise in respect of the Shareholder. Upon the later of the Effective Date or the Initial Distribution Date, but in no event earlier than a date following the Effective Date upon which all Allowed Class 3 Claims (as of such date) are paid in full in Cash together with Post-Petition Interest or Modified Post-Petition Interest (if applicable) and the establishment of the Disputed Claim Reserve and the Administrative Reserve, pursuant to the Confirmation Order, NEGT shall be authorized to issue a notice in its Chapter 11 case to mark the claims register in such case to (i) reflect the expungement and dismissal of the Committee Proofs of Claim with prejudice, and the Committee, as reflected in the recitals of the Confirmation Order, shall be deemed to have so agreed and (ii) reflect the expungement and dismissal, with prejudice, of the Bear Swamp Entities' Proofs of Claim, each filed against NEGT in its Chapter 11 case, and each such Entity, as reflected in the recitals of the Confirmation Order, shall be deemed to have so agreed. This notice shall have the same force and effect as an order of the Bankruptcy Court ordering the expungement and dismissal of such Claims and directing NEGT's claims agent to expunge and dismiss such Claims. Upon the later of the Effective Date or the Initial Distribution Date, but in no event earlier than a date following the Effective Date upon which all Allowed Class 3 Claims (as of such date) are paid in full in Cash together with Post-Petition Interest or Modified Post-Petition Interest (if applicable), the Shareholder Participation, and the establishment of the Disputed Claim Reserve and the Administrative Reserve, and in consideration and in exchange for the foregoing, pursuant to the Confirmation Order, the Debtor's Claims agent shall be deemed directed by the Bankruptcy Court in the Chapter 11 Case to mark the claims register in the Chapter 11 Case to reflect the expungement and the dismissal of the Shareholder Proof of Claim with prejudice, and NEGT, as reflected in the recitals of the Confirmation Order, shall be deemed to have so directed the Debtor's claims agent.

5.05 *Post-Effective Date Status and Operations of the Debtor.* On the Effective Date, the Debtor and the Plan Administrator shall execute and deliver the Plan Administrator Agreement. From and after the Effective Date, the Debtor shall continue in existence in accordance with applicable law in the jurisdiction in which it is incorporated and pursuant to its business documents, as modified by this Plan, for the purpose of: (i) managing and accomplishing its residual affairs according to applicable law; (ii) liquidating, by conversion to Cash or other methods, the remaining assets (if any) of the estate as expeditiously as reasonably possible; (iii) investing, segregating, depositing, reserving and distributing Cash; (iv) prosecuting Causes of Action and objecting to Claims; (v) resolving Disputed Claims; (vi) administering this Plan and nominating the Plan Administrator and the Disbursing Agent; and (vii) filing appropriate tax returns. Upon the Effective Date, all bylaws, articles or certificates of incorporation, and related corporate documents of the Debtor shall be deemed amended (although the Debtor and/or the Plan Administrator may so amend such corporate documents) by this Plan to permit and authorize the appointment of the Disbursing Agent, the Plan Administrator and a three (3) person Board of Directors, each Director being nominated by NEGT. The Board of Directors will be organized as of the Effective Date and its members will be identified in the Plan Supplement. Each of the Disbursing Agent and the Plan Administrator will serve in such capacity until (a) the Plan is fully administered in accordance with its terms or (b) the Plan Administrator or the Disbursing Agent resigns. If the Plan Administrator seeks to resign, such entity shall appoint a successor Plan Administrator, who shall be reasonably acceptable to NEGT, prior to resignation and such successor shall serve in accordance with the terms of this Plan and the Plan Administrator Agreement.

A. The terms of the Plan Administrator Agreement shall define the obligations, duties, compensation, required bonding, indemnifications, and exculpation of the Plan Administrator and the Disbursing Agent in full.

B. As of the Effective Date, each of the Plan Administrator and the Disbursing Agent is empowered, on behalf of the Debtor, to: (i) serve as the remaining and only responsible officer(s) of the Debtor and report to the Board of Directors; (ii) take all steps and execute all instruments and documents necessary to effectuate the terms of this Plan, including the Distributions to be made under and any disbursements in connection with this Plan; and as to the Plan Administrator specifically; (iii) cause the Disbursing Agent to make Distributions contemplated by this Plan and to establish necessary Claim Reserves and, without limitation, the Disputed Claims Reserve; (iv) comply with this Plan and its obligations; (v) employ, retain and replace professionals or entities to represent or assist the Plan Administrator with respect to such Plan Administrator's responsibilities or otherwise effectuate this Plan; (vi) compensate such professionals without further approval or order of the Bankruptcy Court; (vii) take any actions necessary to implement the terms of any prior Orders of the Bankruptcy Court in this Chapter 11 Case; (viii) file any necessary post-Confirmation reports; (ix) prosecute, dispose of and release, and/or compromise Causes of Action; (x) estimate Claims or Interests against the Retained Estate on any basis; (xi) object to or dispute Claims and Interests asserted against the Debtor and/or the Retained Estate (not previously objected to or compromised) or continue to prosecute, object, settle or compromise Claims and Interests; and (xii) exercise such other powers as may be vested in the Plan Administrator pursuant to Order of the Bankruptcy Court or pursuant to this Plan and the Plan Administrator Agreement, or as the Plan Administrator may deem necessary to carry out the provisions of this Plan, subject to applicable law. Upon the making of Distributions

on Allowed Administrative, Fee, Priority Tax, Class 1, 2 and 3 Claims, the Shareholder Participation and Class 4 Interests, the Debtor may enter into any and all transactions and take any action in accordance with all applicable law.

C. THE DEBTOR SHALL INDEMNIFY AND HOLD HARMLESS, FROM THE PROPERTY AND ASSETS OF AND MAKING UP THE RETAINED ESTATE, EACH OF THE PLAN ADMINISTRATOR, THE DISBURSING AGENT, THE MEMBERS OF THE DEBTOR'S BOARD OF DIRECTORS APPOINTED PURSUANT TO THIS PLAN, AND THEIR PROFESSIONALS, OR ANY DULY AUTHORIZED AGENT OR REPRESENTATIVE THEREOF (IN ITS CAPACITY AS SUCH) FROM AND AGAINST LIABILITIES, INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES ARISING OUT OF OR DUE TO THEIR ACTIONS OR OMISSIONS, OR CONSEQUENCES IN RESPECT OF THE DEBTOR AND PLAN IMPLEMENTATION OR CONSUMMATION, OTHER THAN ACTS ARISING FROM EACH SUCH ENTITY'S WILLFUL MISCONDUCT OR GROSS NEGLIGENCE.

D. After the Effective Date, the Debtor shall not be required to file any document, or take any other action, to withdraw its business operation from any state in which the Debtor was previously conducting business operations. The Confirmation Order shall contain directing language to the appropriate governmental units to such effect.

5.06 *Retained Estate; No Revesting of Assets.* The property of the Debtor's estate shall not be revested in the Debtor on or after the Confirmation Date or the Effective Date, but shall remain property of the bankruptcy estate, become the Retained Estate, and continue to be subject to the jurisdiction of the Bankruptcy Court following confirmation of the Plan until

distributed to holders of Allowed Claims and Interests in accordance with the terms of the Plan and Confirmation Order on or after the Effective Date.

5.07 *Distributions With Respect to Claims of Financial Institutions.* All Distributions to be made in respect of Claims arising under revolving credit, loan, letter of credit, guaranty, and similar agreements pursuant to which a trustee or an administrative or security agent is designated to receive payments on behalf of a trust or a syndicate of lenders, shall be made to such trustee, administrative or security agent for distribution to such Entities in accordance with the applicable credit, loan, guaranty, trust or similar agreement, rather than separately to the individual Entities; *provided, however,* that the Disbursing Agent shall give such trustees, administrative or security agents, if any, at least ten (10) Business Days prior written notice of each Distribution Date; *provided, further, however,* that the Disbursing Agent shall be entitled to rely conclusively on such proofs of Claim filed by the respective trustee, administrative or security agent in the Chapter 11 Case for Distribution information (including, without limitation, participation percentages), unless the Debtor is otherwise advised by the respective administrative or security agent in a writing acceptable to the Debtor within forty five (45) days of a Distribution.

5.08 *Distributions to Bear Swamp Certificateholders*

A. Except as and to the extent otherwise required by customary procedures of the DTC with respect to the Bear Swamp Certificateholders, as of the close of business on the BSC Record Date, the various transfer and claims registers for each of the Classes of Claims as maintained by the Debtor, its agents, or HSBC shall be deemed closed, and there shall be no further changes in the record holders of any of the Claims. The Debtor, the Disbursing Agent, and HSBC shall be entitled to recognize, and to deal with, hereunder only

those record holders stated on the transfer ledgers as of the close of business on the BSC Record Date, to the extent applicable.

B. Distributions to the Bear Swamp Certificateholders on the HSBC Claim will be made after repayment of HSBC's fees and expenses including payment or reimbursement of fees and expenses of professionals and of the HSBC Credit Facility from the proceeds of the HSBC Claim, on each Distribution Date by means of book-entry exchange through the facilities of the DTC in accordance with the customary practices of the DTC as and to the extent reasonably possible. The Confirmation Order may provide for procedures as may be necessary or appropriate to facilitate a distribution through DTC.

C. Except as expressly provided for in the Owner Participants/BSC Term Sheet, nothing herein or otherwise in this Plan shall affect the rights and obligations of each of the following Entities against one another under the Bear Swamp Documents: HSBC, the Bear Swamp Certificateholders, the Owner Participants and the Owner Trusts, including without limitation, the right of HSBC to enforce in full its charging lien against the HSBC Claim and its proceeds prior to making any distribution of funds to the Bear Swamp Certificateholders, which charging lien secures reimbursement of all of its pre-petition and post-petition fees, costs, expenses and indemnification (including the repayment in full of the HSBC Credit Facility). Accordingly, nothing herein shall be deemed to impair, waive or discharge HSBC's charging lien against the HSBC Claim and its proceeds for any fees and expenses not paid pursuant to the Bear Swamp Compromise. The HSBC charging lien may be asserted only against distributions to the Bear Swamp Certificateholders, including, without limitation, in respect of the HSBC Claim and its proceeds.

5.09 *Effectuating Documents and Further Transactions.* The Debtor and the Plan Administrator shall be authorized to execute, deliver, file, or record such documents, contracts, instruments, releases and other agreements and take such other action as may be necessary to effectuate and further evidence the terms and conditions of the Plan. Any subordination agreement entered into prior to the Petition Date between the Debtor and parties in interest relating to Claims against the Debtor shall remain enforceable between such parties pursuant to this Plan and Bankruptcy Code section 510(a), unless otherwise expressly provided for herein, in the Plan Supplement, pursuant to any subsequent agreement between the Debtor and such parties in interest, or in any order of the Bankruptcy Court. The Debtor, the Plan Administrator, and the Disbursing Agent shall have no obligation to effectuate the enforceable terms of any such subordination agreement, unless such rights are asserted by the timely filing of a proof of claim in the Chapter 11 Case prior to the Bar Date.

5.10 *Causes of Action Remaining with Retained Estate.* Except as specifically provided in this paragraph, all of the rights of the Debtor and its estate to pursue the Causes of Action, and any defenses and counterclaims related to the Causes of Action, shall continue to remain within the Retained Estate after the Effective Date. Except as specifically provided herein, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or the relinquishment of any Causes of Action that the Debtor may have or may choose to assert in accordance with any provision of the Bankruptcy Code or any applicable non-bankruptcy law. The Plan Administrator shall be the sole representative of the Retained Estate with respect to the Causes of Action for purposes of section 1123(b)(3)(B) of the Bankruptcy Code and, upon the Effective Date, such Causes of Action shall be subject to the exclusive and total control and authority of the Debtor and the Plan Administrator. **ALL CAUSES OF ACTION EXCEPT**

THOSE SPECIFICALLY WAIVED, SETTLED, RELEASED, OR EXTINGUISHED PURSUANT TO THE PLAN SHALL SURVIVE THE OCCURRENCE OF THE EFFECTIVE DATE, AND THE COMMENCEMENT OR PROSECUTION OF THE CAUSES OF ACTION SHALL NOT BE BARRED OR LIMITED BY ANY ESTOPPEL, WHETHER JUDICIAL, EQUITABLE, OR OTHERWISE. IT IS NOT THE DEBTOR'S PRESENT INTENT TO PURSUE CAUSES OF ACTION.

ARTICLE VI
ACCEPTANCE OR REJECTION
OF THIS PLAN OR CONSENT TO DIFFERENT TREATMENT

6.01 *Classes of Claims Entitled to Vote; Presumed Acceptances by Unimpaired Classes.* Allowed Claims in Class 3 are Impaired under the Plan. Under section 1126(a) of the Bankruptcy Code, holders of Allowed Claims in Class 3 may vote to accept or reject the Plan. Allowed Claims in Classes 1 and 2 are not Impaired under this Plan. Therefore, under section 1126(f) of the Bankruptcy Code, holders of such Allowed Claims are conclusively presumed to accept the Plan.

6.02 *Class of Interests Entitled to Vote.* Allowed Class 4 Interests are Impaired and, therefore, pursuant to Section 1126(a) of the Bankruptcy Code are entitled to vote to accept or reject this Plan.

6.03 *Acceptance by Voting Classes of Claims and Interests.* Each holder of an Allowed Class 3 Claim, and the Shareholder, as the members of Class 4, will have accepted this Plan if it votes to accept this Plan by: (a) appropriately marking the Ballot for the Class in which such Allowed Claim or Interest is placed under this Plan, and (b) timely returning such ballot as instructed on the face thereof. Any Ballot, which is otherwise validly executed, but which does not clearly indicate acceptance or rejection of this Plan, shall be deemed to constitute a vote for

acceptance of this Plan. Any Ballot not executed in accordance with the filing instructions on the Ballot pertaining to this Plan shall not be counted for voting purposes.

6.04 *Cramdown.* If either Class 3 or Class 4 fails to accept the Plan in accordance with sections 1126 and 1129(a) of the Bankruptcy Code, the Debtor may request that the Court confirm this Plan in accordance with section 1129(b) of the Bankruptcy Code as to such Class, without the necessity of amending this Plan or providing any further notice (except that notice of such request will be provided by the Debtor to the Committee by its professionals by any means as is reasonably determined in the sole discretion of the Debtor).

ARTICLE VII
TREATMENT OF CLAIMS AND DISTRIBUTIONS UNDER PLAN

7.01 *Administrative Reserve.* On the Effective Date or as soon thereafter as Practicable, the Plan Administrator shall establish the Administrative Reserve, which shall consist of an amount of Cash projected to be necessary to satisfy the payment of professional and other fees and expenses to be incurred by the Debtor or Plan Administrator in implementing and consummating the terms of the Plan, winding up the affairs of the Debtor, and otherwise completing the tasks necessary to close the Chapter 11 Case. The Plan Administrator may from time to time and in its sole discretion decrease or increase the Administrative Reserve by transferring funds to or from the Distribution Fund, the Disputed Claims Reserve (after settlement), or the proceeds of the Causes of Action. No Distribution shall be made to the Shareholder, apart from or in addition to the Shareholder Participation, unless and until the Administrative Reserve has been funded with an amount adequate to pay professional and other fees and expenses to be incurred by the Debtor or Plan Administrator in implementing and consummating the terms of the Plan, winding up the affairs of the Debtor, and otherwise completing the tasks necessary to close the Chapter 11 Case.

7.02 *Disputed Claims Reserve.*

A. *Establishment of Disputed Claims Reserve.* On the Effective Date or as soon thereafter as Practicable, the Plan Administrator shall establish the Disputed Claims Reserve, which shall consist of an amount of Cash necessary to satisfy any Distributions that would be made to holders of Disputed Claims in Class 3 if such Claims were to become Allowed Claims.

B. *Distributions Upon Allowance of Disputed Claims.* With respect to any Disputed Claim in Class 3 that subsequently becomes an Allowed Claim in Class 3 pursuant to a Final Order, the Disbursing Agent shall pay such Allowed Class 3 Claim its Catch Up Distribution in full from the Disputed Claims Reserve. Upon funding of the Disputed Claims Reserve with an amount adequate to pay Disputed Claims with Post-Petition Interest or Modified Post-Petition Interest (if applicable) through the Distribution Date, the Disbursing Agent may make a partial Distribution to the Shareholder, apart from and in addition to the Shareholder Participation.

7.03 *Miscellaneous Distribution Provisions.*

A. *Unclaimed Property.* If a Distribution under the Plan remains unclaimed four (4) months following the date of such Distribution, then the holder of the applicable Allowed Claim shall cease to be entitled to such Distribution and such Distribution shall be transferred to the Administrative Reserve or otherwise distributed in accordance with the terms of this Plan.

B. *Method of Cash Distributions.* Any Cash Distribution to be made pursuant to the Plan may be made by draft, check, wire transfer, or as otherwise required or provided in any relevant agreement or applicable law. Cash payments made pursuant to this Plan

shall be in good currency and funds of the United States of America, by the means agreed to by the payor and the payee, including by check or wire transfer, or in the absence of an agreement, by such commercially reasonable manner as the payor shall determine in its sole discretion.

C. *Distributions on Non-Business Days.* Any payment or Distribution due on a day other than a Business Day shall be made on the next Business Day.

D. *No Distribution in Excess of Allowed Amount of Claim.* Notwithstanding anything to the contrary herein, no holder of an Allowed Claim shall receive, respecting such Claim, any Distribution (of a value set forth herein) in excess of the Allowed amount of such Claim, together with Post-Petition Interest where applicable.

E. *Disputed Payments.* If any dispute arises as to the identity of the holder of an Allowed Claim entitled to receive any Distribution under the Plan, the Disbursing Agent, in its sole discretion, may retain such Distribution until its disposition is determined by a Final Order or written agreement among the interested parties to such dispute and withhold from such Distribution an amount equal to the fees and costs incurred in resolving such dispute. No holder of an Allowed Claim or an Allowed Interest in respect of such Claim or Interest shall have any rights under section 502(j) of the Bankruptcy Code.

F. *De Minimis Distributions.* No Cash payment of less than \$50.00 shall be required to be made to the holder of any Claim.

G. *Withholding Taxes.* Any federal or state withholding taxes or other amounts required to be withheld under any applicable law shall be deducted and withheld from any Plan Distributions. In order to receive a Distribution, each holder of an Allowed Claim must provide the Debtor with a tax identification number (and/or other information required under

applicable law). The Debtor shall otherwise comply, to the extent applicable, with all tax withholding and reporting requirements imposed under applicable law.

7.04 *Objections to Claims.* Except as otherwise set forth in the Plan and unless otherwise ordered by the Bankruptcy Court, all objections to Claims shall be filed with the Bankruptcy Court and served on the applicable claimant on or prior to sixty (60) days after the later of: (a) the Effective Date; and (b) the date a Claim is filed with the Bankruptcy Court and served on counsel for the Debtor or the Plan Administrator, as applicable. The Plan Administrator, before or after such deadline, may as of right, by motion to the Bankruptcy Court, extend such deadline to object to Claims.

7.05 *Settlement of Claims.* Subsequent to the Effective Date, the Plan Administrator shall have the authority to resolve any Disputed Claim for an Allowed Claim subject only to the filing of a notice of such settlement with the Bankruptcy Court and serving such notice upon the Shareholder. Any such settlement shall be binding under the Plan and upon all parties in interest in the Chapter 11 Case.

7.06 *Setoff and Recoupment.* Except as otherwise provided by this Plan, the Plan Administrator, acting on behalf of the Debtor, may but shall not be required to, set off or recoup against any Allowed Claim and the Distributions to be made pursuant to the Plan on account of such Claim claims of any nature that the Debtor may have against the holder of such Allowed Claim; *provided, however*, that neither the failure to effect such a setoff or recoupment nor the allowance of any Claim against the Debtor shall constitute a waiver or release by the Plan Administrator of any claim that the Debtor may possess against such holder.

ARTICLE VIII
EXECUTORY CONTRACTS AND UNEXPIRED LEASES

8.01 *Rejection.*

A. *Leases and Contracts to be Rejected.* On the Effective Date, the Debtor, pursuant to section 365 of the Bankruptcy Code, shall be deemed to have rejected all of its Executory Contracts except those that: (i) are the subject of motions to assume or reject pending on the Effective Date, including, without limitation, in respect of the Fossil Transaction, the Hydro Transaction and/or the Rockingham Option Agreement transaction; (ii) were assumed or rejected before the Effective Date; (iii) have been or will be assumed and assigned on the Hydro Purchase Closing Date pursuant to the Hydro Purchase Agreement and the Hydro Sale Order and/or assumed and assigned pursuant to the Rockingham Option Agreement and the Rockingham Order; or (iv) will be assigned pursuant to the Land Transfer transaction *provided, however,* that the Debtor shall not be required to assume or reject any Executory Contract with any party that is a debtor under the Bankruptcy Code unless and until such contract or lease has been assumed or rejected by such other party.

B. *Deadline to File Rejection Damage Claims.* Each Entity who is a party to a contract or lease rejected under the Plan must file with the Bankruptcy Court and serve on the Debtor's attorneys, not later than sixty (60) days after the Effective Date, a proof of Claim for damages alleged to arise from the rejection of the applicable contract or lease or be forever barred from filing a Claim and will not receive a Distribution related to such alleged rejection damages.

C. *Interest.* A Claim for damages resulting from the rejection of an Executory Contract shall be entitled to Post-Petition Interest or Modified Post-Petition Interest (if applicable) unless otherwise agreed in writing by the parties to such Executory Contract or as ordered by the Bankruptcy Court.

8.02 *Assumption.* The Debtor is assuming only those Executory Contracts as contemplated by or related to the Hydro Purchase Agreement, the Fossil Purchase Agreement, the Rockingham Option Agreement, and the Bear Swamp Land Purchase Agreement. Such assumed Executory Contracts will be assumed and assigned to the respective Purchaser pursuant to the terms of the Fossil Sale Order, the Hydro Sale Order, the Fossil Purchase Agreement, the Hydro Purchase Agreement, the Rockingham Option Agreement, the Rockingham Order, the Bear Swamp Land Purchase Agreement and the Confirmation Order.

ARTICLE IX
RELEASE, INDEMNIFICATION,
ABANDONMENT, AND SETTLEMENT OF CLAIMS

9.01 *Discharge.* Pursuant to section 1141(d)(3) of the Bankruptcy Code, confirmation of this Plan will not discharge the Debtor; *provided, however,* upon confirmation of the Plan, the occurrence of the Effective Date and Distributions hereunder, Creditors may not seek payment or recourse against or otherwise be entitled to any Distribution from the assets of the Retained Estate except as expressly provided in this Plan.

9.02 *Satisfaction.* **UPON FULL DISTRIBUTION WITH POST-PETITION INTEREST OR MODIFIED POST-PETITION INTEREST (IF APPLICABLE) HEREUNDER IN RESPECT OF ANY ALLOWED CLASS 3 CLAIM INCLUDING, WITHOUT LIMITATION, THE NET BSC CLAIM, THE HSBC CLAIM, AND THE OWNER PARTICIPANTS CLAIM, AND UPON THE DISTRIBUTION ON ACCOUNT OF THE SHAREHOLDER PARTICIPATION, ANY SUCH ALLOWED AND PAID CLASS 3 CLAIMS SHALL BE DEEMED SATISFIED IN FULL. NOTWITHSTANDING THE FOREGOING AND THE DISTRIBUTIONS ON ACCOUNT OF THE SHAREHOLDER PARTICIPATION, THE ALLOWED CLASS 4**

INTERESTS SHALL NOT BE CANCELED OR RELEASED BY VIRTUE OF SUCH DISTRIBUTION OR THE APPLICATION OF THIS SECTION OF THIS PLAN.

ARTICLE X
CONDITIONS TO CONFIRMATION AND EFFECTIVE DATE

10.01 *Conditions to Confirmation.* Except as provided in section 10.03 below, the following are conditions precedent to confirmation of the Plan:

A. The Bankruptcy Court shall have approved the Disclosure Statement by order entered on the docket of the Chapter 11 Case on or before March 31, 2005; and

B. The Confirmation Order presented to the Bankruptcy Court in the Chapter 11 Case for entry to confirm the Plan shall be in form and substance acceptable to the Debtor, shall be in form and substance reasonably acceptable to the Committee, HSBC, NEGTE, and the Owner Participants, and shall include, without limitation, provisions approving all compromises contained in this Plan, and a provision that waives the effect of Bankruptcy Rule 3020(e).

10.02 *Conditions to Effective Date.* Except as provided in section 10.03 below, the Plan may not be consummated unless each of the conditions set forth below has been satisfied:

A. The Confirmation Order shall have been entered on or before June 15, 2005 and shall not have been stayed, vacated, modified or reversed.

B. The Hydro Purchase Closing Date shall have occurred.

C. The proceeds in the Distribution Fund shall be sufficient to pay all Allowed Claims in full, together with Post Petition Interest on such Claims, (i) excluding Post-Petition Interest on the Shareholder Participation and excluding Post-Petition Interest on any other Claim not to be paid Post-Petition Interest, in whole or in part, by agreement and/or order of the Bankruptcy Court; and (ii) provided adequate reserves for payment of Disputed Claims and the funding of the Administrative Reserve have been made hereunder.

D. All other conditions to the Effective Date are satisfied or waived no later than September 30, 2005.

10.03 *Waiver of Conditions to Confirmation and Effective Date.*

A. *Waiving Party.* Each of the conditions to confirmation of the Plan or the occurrence of the Effective Date (other than section 10.02(C) of the Plan) may be waived in whole or in part by the Debtor, the Committee, HSBC, NEG, and the Owner Participants without notice and a hearing; *provided however*, that any such waiver(s) must be in writing and filed with the Bankruptcy Court. The Committee, on behalf of all Allowed Class 3 Claims and Creditors generally, may waive the condition to the occurrence of the Effective Date set forth in section 10.02(C), to the extent such waiver provides for payment of Post-Petition Interest. However, the Committee may not agree to waive such condition if Post-Petition Interest on Allowed Class 3 Claims is to be reduced to less than three percent (3%) simple interest per annum. The inability of the Debtor to pay Post-Petition Interest on Allowed Class 3 Claims at a rate of at least three percent (3%) per annum or the election by a majority of the Committee to reject a payment to the holders of Allowed Class 3 Claims which is less than the full amount of such Allowed Class 3 Claims together with Post-Petition Interest at a rate of four percent (4%) per annum (and the Debtor's inability to pay such amounts) shall cause this Plan to be incapable of being made effective (except where a holder of a Class 3 Claim and the Debtor agree to accept a lesser amount in respect of post-petition interest, which is approved by a Bankruptcy Court order, all as is more fully set forth in section 1.101(d) of this Plan). In the event that the Committee elects to accept, on behalf of holders of Allowed Class 3 Claims, Post-Petition Interest in an amount equal to or greater than three percent (3%) per annum but less than four percent (4%) per annum, any such election shall be in writing, and filed with the Bankruptcy Court and served upon the Debtor prior to or on the Effective Date; provided, however, that the Debtor and/or the Plan Administrator, if applicable, shall give the Committee seven (7) business

days prior notice of the occurrence of the Effective Date (except that if the Debtor shall pay Post-Petition Interest in an amount equal to four percent (4%) no such notice need be given). If the Committee permits Post-Petition Interest to be paid at a rate which is less than four percent (4%) per annum (such reduced rate being the “Modified Post-Petition Interest” rate), the reduced rate and amount shall be deemed a part of the Post-Petition Interest compromise described in this Plan including, without limitation, Section 5.03 of this Plan.

10.04 *Effect of Waiver or Failure to Waive.* Any waiver(s) in accordance with Section 10.03 of this Plan shall not prejudice or otherwise affect the Debtor’s rights to assert that the consummation of this Plan, notwithstanding any such waiver(s), would effectively legally or equitably moot any appeal of the Confirmation Order. The failure to satisfy or waive any condition may be asserted by the Debtor, regardless of the circumstances giving rise to the failure of such condition to be satisfied (including, without limitation, any act, action, failure to act, or inaction by the Debtor). The failure of the Debtor to exercise any of the foregoing rights shall not be deemed a waiver of any other rights and each such right shall be deemed an ongoing right that may be asserted or waived (as set forth herein) at any time or from time to time.

10.05 *Effect of Nonoccurrence of the Conditions to Confirmation Date or Effective Date.* If each of the conditions to the occurrence of the Confirmation Date or Effective Date has not been satisfied or duly waived on or before (x) June 15, 2005 in respect of the Confirmation Date, or (y) September 30, 2005 in respect of the Effective Date (or by such later date as the Debtor proposes and the Bankruptcy Court approves, after notice and a hearing), all parties in interest shall revert to the status quo prior to the filing of this Plan and the making of the agreement in respect of the Bear Swamp Compromise. In respect of a failure of a condition to the Effective Date or if such condition is not waived, upon notice filed with the Bankruptcy

Court, the Confirmation Order shall be vacated by the Bankruptcy Court. If the Confirmation Order is not entered on the docket of this Chapter 11 Case by June 15, 2005 or is vacated pursuant to this section or otherwise applicable law, then the Plan shall be null and void in all respects, and nothing contained in the Plan or the Disclosure Statement related thereto shall: (a) constitute a waiver or release of any Claims against or Liens on property of the Debtor, or (b) prejudice in any manner the rights of the Debtor or any other party in interest, including (without limitation) the right of the Debtor to contend (and the right of any other party in interest to contest) that a plan that provides General Unsecured Claims with interest at the legal rate below four percent (4%) simple interest per annum leaves such creditors unimpaired, or to seek further extensions of the exclusivity periods under section 1121(d) of the Bankruptcy Code, which exclusivity periods shall be deemed to have been extended to thirty (30) days after the date of entry of any order vacating the Confirmation Order, subject to the rights of any party to seek to shorten the exclusivity periods after notice and hearing.

The Deed will convey a 100% undivided interest in the Property, pursuant to Bankruptcy Code Section 363, free and clear of all claims, liens and encumbrances (other than Permitted Liens identified in the title report attached hereto as Schedule I)) pursuant to a final and non-appealable order of the court having jurisdiction over the Bankruptcy Proceeding (the “Order”). The Order shall provide that Buyer is a good faith purchaser and is entitled to the protections of Sections 363(m) and (n) of the Bankruptcy Code. The sale of the Property from USGen to Buyer pursuant to Bankruptcy Code Section 363 shall be a private sale, not subject to higher or better bids, unless the Bankruptcy Court orders otherwise.

Transfer Taxes:

In the case such exception is not obtained, Buyer will pay all transfer taxes or documentary tax stamps, notwithstanding any statutory provision to the contrary.

EXHIBIT 1.90

SETTLEMENT TERMS AS BETWEEN BSC AND OP

DECEMBER 23, 2004

The following proposal would globally settle all issues among Bear Swamp Certificateholders (together with HSBC, "BSC"), Owner Participants ("OP", BSC and OP collectively referred to as "Bear Swamp"), Owner Trusts (for the purposes of paragraph 12) and the Official Committee:

1. Allowed Claims
 - ?? Bear Swamp would have an allowed claim of \$485MM.
 - ?? The \$485MM allowed claim would be allocated initially based on the ratio of \$434MM BSC/\$114MM OP.
 - ?? Bear Swamp would assign a \$72MM participation in such claim to NEGТ, which participation would be shared \$48MM BSC (2/3)/\$24MM OP (1/3), resulting in an adjusted allocation ratio of \$386MM BSC (81.1%)/\$90MM OP (18.9%).
2. NEGТ would not receive any interest on its participation claim.
3. An assumed value of \$63MM representing the net sales proceeds for the Bear Swamp Facility will be credited against BSC's allowed claim (solely for the sake of convenient illustration of the sharing arrangements between BSC and OP), resulting in an adjusted BSC allowed claim of \$323MM.
4. Bear Swamp would receive interest at the same rate as all other US Gen creditors on \$413MM of its claim.

BSC would receive interest on a \$323MM claim; OP on a \$90MM claim
OP's claim would be adjusted downward by 1/3 of the interest at 4% per annum simple interest that would have accrued on \$63MM from the Petition Date to the date of payment, and BSC's claim would be adjusted upward accordingly.
5. Interest would be paid to all US Gen creditors (other than NEGТ) at 4% per annum simple interest accrued from the Petition Date to the date of payment.
6. US Gen would convey to Bear Swamp or its designee for \$1.00 the land associated with the Bear Swamp Facility.
7. US Gen, the Indenture Trustee, the Owner Trusts and the Owner Participants shall cooperate with the sale and/or transition of the Bear Swamp Facility to a new owner and/or operator, with the appropriate areas of cooperation to be agreed upon, taking into account regulatory requirements and that USGen will no longer have the ability to operate the Facility following the closing of the sale of its hydro assets.
8. An amount equal to all net proceeds from the sale of the Facility and the land will be shared among the parties as follows:

- ?? If the “net sales proceeds” are \$63MM, all of such proceeds shall be distributed to BSC.
- ?? If the “net sales proceeds” are greater than \$63MM, then BSC will receive the first \$63MM, and an amount equal to the excess of such proceeds above \$63MM shall be distributed 45% BSC/45% OP/10% NEG.T.
- ?? If the “net sales proceeds” are \$40MM or greater, but less than \$63MM, then (i) BSC will receive all of the net sales proceeds, (ii) the allowed claims of OP and NEG.T will be reduced by the difference between such proceeds and \$63MM in the following proportions: 45% OP/10% NEG.T and (iii) the allowed claim of BSC will be increased accordingly.
- ?? If the “net sales proceeds” are less than \$40MM, then BSC will receive all of the net sales proceeds, and the allowed claims of OP and NEG.T will be reduced by the difference between such proceeds and \$63MM in the following proportions: (i) with respect to the \$23MM shortfall of proceeds from (and including) \$40MM to \$63MM: 45% OP/10% NEG.T and (ii) with respect to the shortfall in proceeds less than \$40MM: 40% OP. The allowed claim of BSC will be increased accordingly.

9. “Net sales proceeds” shall be defined as an amount equal to the cash proceeds received for the Facility plus the land (net of all selling expenses other than professional fees) minus (i) a maximum of \$24MM in respect of professional fees and expenses of BSC and OP, and minus(ii) an additional amount, not to exceed \$1MM, in respect of additional professional fees and expenses of BSC and OP.

BSC and OP agree that, solely as between themselves, their respective shares of the global settlement shall be calculated as if they were reimbursed out of aggregate gross sale proceeds for their respective professional fees and expenses incurred in connection with the US Gen bankruptcy case in an amount of up to \$19.1 MM for BSC and up to \$4.9MM for OP, not subject to the lien of the Indentures. The parties agree that the professional fees and expenses of BSC referred to above shall mean all fees and expenses of the BSC Lease Indenture and Pass Through Trustees incurred in connection with the US Gen bankruptcy case, including the fees and expenses of its advisors incurred in connection therewith.

BSC and OP agree that the fees and expenses referenced above shall not include any success fee, fee contingent on completion of transaction or premium billing amounts.

The \$1 M of possible additional fees and expenses referenced above will be allocated (solely as between BSC and OP) 50% BSC/50% OP regardless of the proportions by which such fees and expenses were actually incurred.

Any cash amount released to the Seller from any holdback escrow created under the relevant asset purchase agreement shall constitute a portion of net sales proceeds only at the time of release to the Seller, and appropriate adjustments shall be made at such time among the parties to effectuate the sharing described above.

Nothing herein should be construed to limit HSBC's right to recover any fees and expenses in excess of \$19.1M from any funds to which BSC is entitled, prior to any distribution to the Bear Swamp Certificateholders.

The sharing arrangement with respect to an amount equal to "net sales proceeds" as described above will be in effect if a sale closes on or prior to 12/31/05. In the case of a sale closing thereafter, payments that would otherwise have been made to or decreases in NEGT's allowed claim will be received by or borne equally by BSC and OP.

10. BSC and OP shall share 50%/50% the revenues received in connection with the operation of the Bear Swamp Facility (pursuant to the terms of the Operating Agreements, as amended, entered into with US Gen and any subsequent operating agreement or similar agreement entered into with US Gen or any other party at the direction of BSC and with the consent of OP, which consent shall not be unreasonably withheld), less all expenses (excluding professional fees, but including 50% of all interest, commitment fees and \$30,000 priming lender legal fees under the Indenture Trustee's priming loans (it being understood that the remaining 50% of such interest and fees may nonetheless be reimbursed to BSC under Paragraph 9 hereof to the extent BSC's aggregate professional fees and expenses are otherwise less than the \$19.1 MM limit)) incurred in connection with the termination of the Operating Agreements and the operation, maintenance, overhaul, repair, replacement and preparation for sale of the Bear Swamp Facility after such termination and prior to such sale, from October 1, 2003 to and including the closing date under an asset purchase agreement. BSC shall provide OP with details of the revenues and expenses (other than professional fees) to date, and no material expenditures (except for (i) operating expenses, taxes and FERC fees, and (ii) the costs (in an aggregate amount not to exceed \$750,000) associated with the scheduled overhaul and maintenance of the Facility in the March/April/May/June timeframe) shall be made by BSC without the consent of OP, which consent shall not be unreasonably withheld.
11. BSC and OP, together with the other parties to the global settlement agreement, will use their best efforts to seek implementation of this Term Sheet and will support confirmation of a Chapter 11 Plan which contains the terms of, and is not inconsistent with, the global settlement agreement and this Term Sheet and is otherwise in form and substance satisfactory to each of BSC and OP (a "Conforming Plan"). In furtherance of the foregoing, BSC will not foreclose on the Bear Swamp claims if and so long as (i) a Conforming Plan shall be filed on or prior to January 31, 2005 with the support of all parties to the global settlement agreement, (ii) an order approving a disclosure statement for such Conforming Plan shall have been entered on or prior to March 31, 2005 pursuant to Section 1125 of the Bankruptcy Code and (iii) an order confirming such Conforming Plan shall have been entered on or prior to June 15, 2005, provided that such agreement not to foreclose shall terminate if any of the dates are missed, if any of the orders are vacated or if the Conforming Plan is revoked or modified in such a manner that it is no longer a Conforming Plan. Upon confirmation of a Conforming Plan, BSC will not foreclose upon the Bear Swamp claims pending the effective date of such Conforming Plan when allocable portions of the Bear Swamp claims will be transferred to each of OP (free of the liens of the indenture estate) and BSC (subject to the rights of HSBC as referenced in paragraph 9 above) as described above.

12. The Owner Trusts are parties hereto solely for the purpose of conveying to HSBC for the benefit of BSC and disclaiming any interest in any property and consideration to be distributed to HSBC and/or BSC hereunder.
13. If the effective date shall occur under a Conforming Plan prior to the closing of the sale of the Bear Swamp Facility, BSC may elect to receive 81.1% of the \$413MM of allowed claims (i.e., \$335MM) rather than \$323MM (and OP shall receive \$78MM, rather than \$90MM, of allowed claims), in which case (i) the respective shares of net sale proceeds shall be increased for OP and decreased for BSC and (ii) the interest adjustments in Paragraph 4 shall be decreased so that each party shall receive the same total recovery provided for above.
14. The global settlement agreement with NEGТ can be terminated by a majority vote of the Official Committee with all parties reserving all rights they may have only if US Gen is insolvent. For the purposes of this settlement, insolvent shall mean that US Gen is unable to pay (a) all claims in full (including the full Bear Swamp claim which includes the NEGТ participation but excluding interest on the NEGТ participation) and (b) simple interest at the rate of 4% per annum to all creditors.
15. The settlement agreement between BSC and OP shall terminate if the global settlement agreement with NEGТ shall cease to be in effect for whatever reason or if a Conforming Plan is not confirmed, is revoked or is modified in such a manner that it is no longer a Conforming Plan, or does not become effective. All rights of BSC and OP are expressly reserved if the settlement agreement between BSC and OP shall terminate. Moreover, unless and until the effective date shall occur under a Conforming Plan, none of the terms of this Term Sheet (other than Paragraphs 7, 12, 14 and 15) shall become effective.
